

North Brunswick Family Dental and Orthodontics

Scheduling and Appointment Policy Unless other arrangements have been made with our office, our general policy regarding appointments and scheduling is as follows:

- **Punctuality:** Please arrive on time for your scheduled appointment to ensure we can provide the best care possible.
- **Cancellations:** Kindly provide at least 48 hours' notice if you need to cancel or reschedule your appointment. This allows us to accommodate other patients.
- **Late Arrivals:** If you arrive late, we may need to reschedule your appointment to ensure our schedule runs smoothly.
- **Missed Appointments:** Repeated missed appointments without adequate notice will result in a cancellation fee of \$75.00 per hour or limited scheduling options.
- **Deposit:** We respectfully require a deposit to schedule new patients or treatment time with the doctor. The deposit will be applied towards your treatment if you have any copay or will be refunded upon arrival if no copay is due.

Your time is valuable, and we strive to maintain a predictable schedule that runs on time. Based on this goal, we have adopted the above policy.
